PIONEER Gas Boiler

Ultra High 96% efficient boiler

5-1 turn down modulation ratio

Efficiency Star rated

Single loop installation

Great for oil to gas heat conversions

Daikin Ductless Mini Split Heat and Cool System

Don't throw that heating system away!

Supplement your system with a heat pump.

Save over 30% on your heating bill with a heat pump system, staying warm in the winter and cool in the summer.

10 Year compressor warranty

7 Year parts warranty

Plumbing Backflow Certification

Certification is required by the water company each year. We can perform this service for you and submit results to your water company.

Bosch Greenstar 131 Combi Gas Boiler

Bosch Combi Boiler offers space heating and domestic hot water with side wall venting and wall hung.

Limited lifetime warranty and five year parts and labor warranty!

95% efficiency modulating boiler, great for low temperature applications.

Oil to Natural Gas Conversions

We will offer options for you to consider when thinking about changing from oil to gas.

We offer Riello and Carlin LP Gas Burners for conversions if your existing oil boiler is not too old and in good condition.
